

RESOLUTION OF SUPPORT

Passed on 01 / 04 / 2011

Resolution No. 14 2011

COLFAX Township supports the initiative to have the Oceana County Road Commission (OCRC) adopt all formerly OCRC roads that were dropped from the Act 51 Certification Map in 2006 back into their possession. We also support having the OCRC adopt all of the rustic roads located on National Forest lands within our Township (if any) with the exceptions noted at the bottom of this page (if any). We would like to see these roads open to public use in a rustic, unbladed (two track) condition.
