

Township of Colfax, Oceana County, Michigan

Resolution 2024-1

Resolution made at a regular township board meeting held at 7:00 PM on the 19th day of March 2024 held at Colfax township hall.

PRESENT: Members: Stuart Overway, Corinne Norton, David Leonard,
Shelby Branch, Brad Norton

WHEREAS, it is recognized by the Colfax Township Board that increasing state-mandated responsibilities levied on the township clerk's office have facilitated the need for the township clerk to delegate certain responsibilities to the deputy township clerk.

WHEREAS, it is further recognized that these assumed responsibilities have resulted in increased work for the deputy clerk in administering these tasks and that these additional hours considerably exceed work hours previously performed by deputy clerk appointees.

THERFORE, HEREBY BE IT RESOLVED:

1. The Colfax Township Deputy Clerk position monthly compensation be increased to \$300 per month effective upon commencement of fiscal year beginning April 1, 2004 and-or until rescinded or amended by the Colfax Township Board.
2. This resolution recognizes that the proposed compensation change does not exempt the deputy clerk's eligibility for hourly compensation for work performed outside of recognized deputy clerk responsibilities, such as, but not limited to, duties as election inspector.

Shelby Branch.
